# SAŠA ČEKO

## FRONTEND WEB DEVELOPER

### About Me

I'm a junior Web Developer with a nine months experience in web developing and a year in a web editing. Currently, I am finishing adult education for Frontend Developer at Algebra University College.

### Experience

- **Info3 d.o.o.**

**Frontend Web Developer** Aug 2022 - Present

- Building components for CMS (Contentful) using React, Typescript / JSX, Tailwind CSS, SCSS.
- Working with GitHub and Azure.
- using Git and Npm on daily basis.

**Web editor** Jul 2021 - Sep 2022

- Experienced in the implementation of website content on structured CMS's like AEM (Adobe Experience Manager) as well as headless CMS Contentful
- Working with some of the biggest pharmaceutical companies like Glaxo-Smith Kline and Procter & Gamble, successfully meeting their day-to-day demands on various local and global projects.
- Experienced in use of SEO & Web optimization tools such as Rigor Monitoring, SiteImprove and Lighthouse
- Using HTML and CSS (Bootstrap) on daily basis.

### Education
